Tuesday, November 7, 2017

12:00-1:00PM

Light Lunch Served

23-105 CHS

Hosted by UCLA Pediatric Endocrinology Division

Contact: Gina Serna (gserna@mednet.ucla.edu, 310-825-6244)

This series is supported in part by a Catalyst Award from the UCLA Clinical and Translational Science Institute (CTSI; NIH/NCATS grant #UL1TR001881).

The UCLA Children’s Discovery and Innovation (CDI) Institute, established through initial philanthropic funding to UCLA Mattel Children’s Hospital and the Department of Pediatrics at the David Geffen School of Medicine at UCLA, encourages multidisciplinary child health research and research training at UCLA across the spectrum of basic, translational, clinical, and health services research. For more information, including details about seminar updates, please visit the CDI Institute website: www.uclahealth.org/cdi or contact:

Candace J. Wilkinson, Ph.D. | Scientific Officer, UCLA CDI Institute | owilkinson@mednet.ucla.edu | 310.794.4336
