Tarjan Center Lecture Series presents:

Resilient Parenting of Children at Developmental Risk

Ruth Ellingsen, Ph.D.
Postdoctoral Scholar and Clinical Instructor
Nathanson Family Resilience Center
UCLA Semel Institute for Neuroscience and Human Behavior

LEARNING OBJECTIVES:
1. Identify risk factors that challenge positive parenting of children at developmental risk.
2. Identify protective factors that lead to positive parenting in the face of developmental risk.
3. Understand changes in predictors of parenting from early childhood to adolescence.
