You may be eligible if you are:

- Between 21 and 40 years old
- Proficient in speaking English
- Not taking any psychoactive drugs (prescribed and non-prescribed)
- Not in need of urgent care

If you qualify and participate:

You will complete a series of diagnostic and cognitive measures. We will also take images of your brain using MRI, and record your brain activity using an EEG.

You'll receive up to $150 and a picture of your brain!
