

A STRESS, TRAUMA AND RESILIENCE SEMINAR  
PRESENTED BY THE DIVISION OF POPULATION BEHAVIORAL HEALTH

# PARENTING BEHAVIOR AS A RISK AND RESILIENCE PROMOTING FACTOR

*Steve Lee, PhD*

WEDNESDAY, FEBRUARY 21, 2018 | 9:00AM - 10:00AM

CONFERENCE ROOM A7-418

Semel Institute for Neuroscience and Human Behavior | 760 Westwood Plaza

## SEMINAR OBJECTIVES:

1. Discuss developmental themes in the origins and consequences of youth ADHD and externalizing disorders
2. Recognize the critical role of naturally occurring individual differences in positive and negative parenting behavior in risk and resilience processes
3. Describe the clinical implications of a clinical research agenda focused on understanding the determinants and contextual influences on caregiving behavior

### Coming next month

Dolly Phillips, LMFT from Our House Grief Support Center

*Topic: Supporting Grieving Families*
