ARE YOU BETWEEN THE AGES OF 36 AND 100+?

If so, you may be eligible for a groundbreaking UCLA study on how connections in the brain change as we age.

Participation includes:

• Questionnaires
• Memory and attention games
• Two 1-hour MRI scans
• A blood draw
• Study completed in 1-2 days

Who can participate?

• Ages 36-100+
• In good health
• No history of neurological or major psychiatric disorders

If you are interested, please call us at 310-794-0077 or email us at hcp@ucla.edu.

Participants receive:

• A picture of their brain
• Up to $400 for participating
• Mileage reimbursement for travelling to and from UCLA
• Complimentary valet parking
