FORGING A TRANSFORMATIVE POLICY & PRACTICE

AGENDA -  don't look back.

Friday, March 15
12 - 2pm
NRB Auditorium

Robert K. Ross, MD
President & CEO, The California Endowment

What are the strategies and targets for transformative improvements in the health and health care system?

Please join us for a conversation with Dr. Robert Ross, who will share innovative approaches in expanding access to quality health care and improving health in underserved communities. Dr. Ross will share how The California Endowment is tackling major health challenges through philanthropy, advocacy, and systemic change. He will answer questions, such as:
- What are the national, state, and local policy opportunities to transform the US health system?
- What are the leverage points to shift power and promote community voice?
- How can foundations transform health and well-being in communities?

This presentation is a special expanded session of HPM 249-3: Transformation of Health Care Systems.
