COVID-19 RESEARCH STUDY

We won’t find a treatment or cure without your help

We want to learn if study medications will prevent hospitalization and death in adults.

To join, you must be:

- **18 years** or older
- Have tested positive for COVID-19 within the past week
- Experiencing **at least one** COVID-19 symptom, such as:
  - FEVER
  - COUGH
  - SHORTNESS OF BREATH
  - SORE THROAT
  - BODY PAIN
  - FATIGUE
  - HEADACHE
Learn more about the study:

There are no treatments for people with COVID-19 who are not hospitalized. We don’t know who will get worse. We need the help of all people with COVID-19 to understand whether treatments work.
