Research Study

Help UCLA doctors and engineers make medical technology more inclusive!

Benefits:
- Help drive diversity and inclusion in medtech.
- $20 Amazon gift card for 30 minutes of your time

Requirements:
- We are in need of volunteers of Black or African-American descent, particularly those with darker skin tones.
- Volunteers of all skin tones.

Participation entails:
- Location: UCLA Engineering IV, Room 18-135.
- We will take videos of you while monitoring your heart rate, blood pressure, oxygen levels. We will also take body temperature measurements.
- All COVID safety protocols will be strictly followed.
